EDUCATION

Madhav Institute of Technology and Science (MITS), Gwalior <i>Bachelor of Technology - Computer Science and Engineering - CGPA: 8.29</i>	Jul 2023 – May 2026 <i>Gwalior, Madhya Pradesh</i>
Government Polytechnic College, Nowgong <i>Diploma - Computer Science and Engineering - CGPA: 8.66</i>	Jul 2020 – May 2023 <i>Nowgong, Madhya Pradesh</i>
Saraswati Higher Secondary School, Nowgong <i>Higher Secondary - Physics, Chemistry, Mathematics - CGPA: 8.44</i>	Jul 2019 – May 2020 <i>Nowgong, Madhya Pradesh</i>

EXPERIENCE

Software Development Engineer (Intern) at Bunch Infotech <i>Role - Full Stack Developer</i>	Jun 2025 – Jul 2025 <i>Remote</i>
- Completed internship as Software Development Engineer (SDE), focusing on Spring Boot backend development and Figma-based UI/UX design. - Learned and implemented RESTful APIs in Spring Boot, testing endpoints with Postman. - Designed intuitive and user-friendly application interfaces using Figma, contributing to consistent and visually appealing UI/UX.	

PROJECTS

SewaSathi Full Stack Website 	May 2025 – Aug 2025
Tech Stack: ReactJS, TailwindCSS, Spring Boot, MongoDB - Built a service marketplace platform that connects clients with local workers through an intuitive web interface. Worker Module: Designed features for workers to manage service profiles, update availability, and track demand using filters. Client Module: Implemented search and filter options (location, ratings) to help clients hire workers, manage service requests, and post bulk hiring needs.	
Result Summary Software 	Feb 2023 – May 2023
Tech Stack: Java, MySQL - Developed a software to automate result summary preparation, reducing manual work and saving faculty time. - Implemented semester-wise and subject-wise analysis covering category, gender, division, and grade distribution. - Enabled Excel export for tabular reports; software is successfully deployed and in active use.	

TECHNICAL SKILLS

Front-End: HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, AJAX, GSAP, React.js
Back-End: Java, JSP, JDBC, Spring Boot (REST APIs, MVC, CRUD, DI), Thymeleaf
Database: MySQL, MongoDB
Tools: Eclipse, VS Code, Git, GitHub, XAMPP, Postman, Canva, Figma
CS Fundamentals: DSA, OOPs, DBMS, OS, Computer Networks

ACHIEVEMENTS

- Max **LeetCode Rating: 2981**
- Recipient of **National Scholarship Program (NSP)** for Academic Excellence.
- Selected in **Model Making Competition** at college level.
- Awarded **Rs. 25,000** by the Government of MP for outstanding 12th Grade exam performance.
- Completed **NPTEL Course** on User-Computing for Human-Computer Interaction.
- Participated in **three hackathons**, demonstrating strong problem-solving skills.
